Re: **Lower Darby Creek Area Superfund Site**

Dear Ms. Prisk:

This letter will confirm a telephone message I received from you on March 1, 2002, in which you granted Atlantic Richfield Company an extension until April 15, 2002 to respond to the 104(e) Request for Information for the Lower Darby Creek Site. Pursuant to your request, we will update you at the end of the March regarding the status of our search.

Please address all future correspondence concerning this matter to:

Todd Normane, Esq.  
BP America Inc.

Thank you for your cooperation in granting the extension.

Sincerely,

Catherine A. Colbert
